

I was having **CHRONIC LOW BACK PAIN WITH SCIATICA** for over 1 year now. The pain was debilitating, radiating to my left lower leg and is even affecting my Professional, Personal and Sexual life. When I was almost in a depressive state of mind I was referred to **Dr. Kranthi R Vardhan**. Thank you **KERALA AYURVEDIC CARE**, the staff and everybody involved in getting **ME & My 'BACK' to 'LIFE'**.
