

I was treated by many Doctors for my Back Pain, Neck Pain, Shoulder Pain, and Reddening & Eye Strain separately for many years now. I was made a Guinea pig for all these days in the hands of the Specialists, until I was diagnosed '**COMPUTER RELATED INJURY**' by **Dr. Kranthi Vardhan** @ **THE KERALA AYURVEDIC CARE**, Hyderabad. He gave me Treatments like Akshi Tarpanam, Sarvanga Dhara, Vasthi Karma etc with a relief of > 90% in just 4 weeks of time. Thank you Doctor for the measures you taught me to further Prevent & Manage the Repetitive Strains.
