

My husband is suffering from **MUSCULAR DYSTROPHY & HIP GIRDLE DYSTROPHY** since 5 years. He is 55 years old and at present is unable to lift the hands and shoulders. Weakness in legs can't stand on own and no balance. He is have too much back pain also from 20 years back. Bath also we do for him. All medicines we give and no good result. Medical doctors telling no treatment. We go to many doctors in Hyderabad husband getting depression.

My uncle told me to try Ayurvedic at Dr Kranthi's KAC. We consulted Dr Kranthi Vardhan told 45 days Panchakarma Treatment. After treatment my husband happy he got strength in legs and slowly walking with balance slowly. Thanks doctor saab for good treatment.
