

I had Severe Stroke 4 months back and after Emergency Treatments I was referred to Physiotherapy for the Treatments for **PARALYSIS** of Right Hand & Right Leg. In spite of the Treatments, I was not getting marked Improvement. One of my friends referred me to **Dr. Kranthi R Vardhan & THE KERALA AYURVEDIC CARE**; I thereby underwent Ayurveda Panchakarma Treatments & Rejuvenation Therapies for 6 weeks. I got more than 80% relief; I am highly Thankful to Doctor garu who saved me from being handicapped.
