

I am Rosy Mercy. I am a student nurse from Mahabubnagar. I had severe **PSORIASIS** from 2 years. Used Allopathy medicines but no result. I saw an interview in TV9 and immediately came to Dr Kranthi Vardhan at The Kerala Ayurvedic Care, Basheerbagh. I took Panchakarma Treatments along with Vamanam for 1 month. All my scaling, itching and irritation is gone. I have improved 90%. Doctor told me to use medicine for 6 months to one year. I will follow his advice. Thank you sir and best wishes to the staff who are dedicated and best in their work.
