

Before I came and met **Dr Kranthi R Vardhan** at **KAC**, I had been suffering from **SEVERE ERECTILE DYSFUNCTION** for the past one and half years. I was living in the **US** and I have tried many Medicines and Treatments but all of them were not yielding me any relief or Cure of my problem. I was almost into depression and KAC has cured my problem from the gross root level. I highly recommend this Treatment to everyone suffering from these types of Sexual Problems. Thanks and GOD bless.
